## PANEL UPDATES!

**Feeding The Trekkies In A Vast Geeky Galaxy**  
(Formerly *Cooking for Trekkies*)

Garden (Con Suite) — Saturday 2/22/20 — 11:00 am  
A culinary jaunt through the marvelous worlds of fantasy and fiction embraced by Trekkies and other fellow geeks. In this presentation, we will discuss how to satisfy every grumbling tummy from your fiercest Klingon to your gentlest Beta-zoid. There will also be a tasting menu available to all participants. For this year we have included some creations inspired by *Star Wars*, *Star Trek*, and a few other surprises *Jess Moran*

**Weather Watches and Warnings**

Salon B — Sat 2/22/20 — 2:00 pm

A retrospective on how we predict extreme weather events, how successfully we prepared, and what we're trying to do better. Dr. Mikles introduces the next generation weather satellites that are changing the game. Dr. Valerie Mikles
